

## Sustainable Use and Management of Soil, Sediment and Water Resources - International Conference

### Call for Abstracts – information

Submit your abstract [here](#)

The Programme Committee cordially invites those who wish to contribute to the conference to submit an abstract for an online presentation or an online session (for more information, see below). To submit an abstract, it is necessary to create a user account. Deadline for abstract submission is **Sunday February 28<sup>th</sup> 2021**. Authors will be informed about the abstract selection in March 2021.

### How to submit an abstract in our system

#### PRESENTATION IN A REGULAR ONLINE SESSION

- Oral presentations (15 min + 5 min of discussion)
- Project/scientific research/policy project/best practices.
- Include in abstract:
  - o Name + affiliation of the presenter
  - o AquaConSoil topic to which the presentation links
  - o Main message of the presentation
    - Aim of the presentation
    - What is your take home message? What's in it for the audience?
  - o Think about how to engage your audience in a digital setting. Tips & Tricks will be shared.

#### SESSION PROPOSAL

- 75 minutes
- Set-up is free
- Project/scientific research/policy project/best practices
- Categories for sessions:
  1. Free set-up
  2. Session hosted by an international network, linked to red line of AquaConSoil
  3. New initiatives/project ideas
  4. Presentations EU projects or programmes
- Include in abstract:
  - o Contact person (name + affiliation)
  - o AquaConSoil topic to which the presentation links
  - o Main message of the session
  - o Aim of the session (incl. category, see above)

- Presenters of people involved in your session
- What is your take home message? What's in it for the audience?
- in case of a session about a new initiative of project idea, add:
  - what's your idea?
  - which problem are you solving?
  - does it link to existing EU policy goals?
  - what are the (potential) partners?
  - do you have funding or are you searching for funding?
- Think about how to engage your audience in a digital setting. Tips & Tricks will be shared.

Please submit your abstract by uploading your file to our system. Max. length of the abstract is 1 page, and the document cannot exceed 5MB in size.

Each delegate can submit 1 abstract for an oral presentation as first author (the presenter is the first author) or 1 proposal for a full session as main organizer of the session.
